**II. Legislative Affairs:** Through the recently completed legislative session the Chapter has continued to reach out to its members on legislative affairs issues through our monthly newsletter and by forwarding significant legislative alerts directly to members. The Chapter's Legislative Affairs Representative had previously prepared a booklet presentation of the Joint Leadership Council's legislative priorities which was sent to our assigned delegates. Our planned attendance at JLC day at the General Assembly was cancelled due to the space limitations imposed by continuing construction work at the GA building.

**III. Public Affairs:** Nothing significant to report.

**IV. Chapter Vitality and Levels of Excellence:**

(a) Levels of Excellence: We will submit our LOE nomination by the 1 May 2020 deadline.

(b) Self-Evaluation: we currently rate ourselves 64 (Outstanding). Areas of emphasis continue to be the Transition Assistance Program as well as membership within the very small active duty component in the ROTC departments of VMI. We continue to have challenges in our recruitment initiatives among the ROTC staff.

**V. Most Significant Chapter Events of the Quarter:** At our February chapter dinner, the Chief of Police of the City of Lexington addressed chapter members. Much of the effort for March was dedicated to reacting to the COVID-19 virus and planning for coming weeks and months. We will conduct our 6 April Board meeting by conference call, and have cancelled our 14 April chapter lunch, where we were scheduled to present our MOAA SROTC Medals. They will be presented next year. Likewise, we will present MOAA JROTC medals next year when our two high schools return. We will soon make decisions about the viability of our 2020 fund raising plan and whether we should continue to plan for our 23 May sporting clays event. These are uncertain times.
