#### **4. Standing Committee Reports**

##### Communications and Public Affairs

\* CDR Lincoln Smith, CDR UN (Ret) discussed the VCOC homepage and it has been completely updated over the past two months. The chapter reports have been provided and updated. The Crier and information to be submitted for the website. We reviewed the Crier and the total amount of information provided. VCOC was able to transition into the zoom meetings effectively.

##### Membership and Chapter Affairs

\* CDR Lincoln Smith, USN (Ret) provided updates showing 1,887 members at the end of the quarter, down from 2,435. COL Monti Zimmerman, USA (Ret) reported that Central Shenandoah Chapter did not complete the process to disenroll and still is on the roles. The report needs to be reviewed as the numbers are not complete and paid the cost of the annual service contract which all chapters can use by contacting CDR Smith. COL Revilla recommended that we need to look at the practice of using this Video Teleconference method for a minimum of two quarterly council meetings per year and then two meeting on site presence. This method saves time and costs to the chapters and the council while still accomplishing the mission of the VCOC board.

#### **5. Legislative Chair**

\* COL Monti Zimmerman, USA (Ret) reported on the Joint Leadership Council (JLC) Legislative Initiatives 2020. There were six JLC initiatives. Three issues were approved. One sponsored by VCOC for a three-day extension to count overseas ballots. A second was the Constitutional ballot initiative for 100% disabled veterans. The third was emergency response pay to junior enlisted members of the Virginia National Guard.

\* 2021 issues for JLC the Legislative Committee approved support for the JLC for initiatives 3 (American Legion) and 5 (Virginia Army & Air Guard Enlisted Association)

from last year. MOAA will support and sponsor JLC initiative 6 (AUSA Co-sponsored with MOAA). They are being formulated and are due by 20 July.

\* CDR Smith covered all the virtual storming actions that were conducted by different chapters and the VCOC (also included on the website and the newsletter). MAJ Sheri Ferki, Portsmouth Chapter president, was commended for extensive participation in presenting the MOAA number one priority – Military Medical personnel cuts – on several occasions during the VTCs. For clarification, the virtual storming conducted with Congressman A. Donald McEachin was a Southside Virginia Chapter event (hosted with the VCOC Zoom contract) with the Richmond and Portsmouth chapters invited to participate since the Congressman's area of responsibility includes portions of their footprint. COL Revilla highlighted that this means of communication in the future with our state and national legislators may be a practice that we want to keep for the future.

\* MOAA virtual storming netted the removal of the Widow's Tax last year. The first change will be effective 1 February 2021, raising the DIC by \$447 (tax free). Effective 1 February 2022 DIC is increased by \$893. Effective 1 February 2023, SSIA of #24 goes away and the full DIC amount of \$1340 is implemented. National Storming was effective. Military Medical personnel have been deployed for the COVID response. Incremental approach from MOAA on concurrent receipts.

All funds used were donations from chapters and individuals and not monies from chapter council dues. Update from State the procurement officer stated the purchase was to be made this week.
