

**Richmond Area Chapter
VCOC 2020 Q1 Report
April-June 2020**

- I. Membership
As of 30 June 2020, total chapter membership was 342. The membership breakdown includes 293 regular, 41 surviving spouse, and 8 honorary.

- II. Legislative Affairs
Chapter members were encouraged to respond to MOAA's request to contact their national legislators and advocated for the MOAA legislative priorities. Several members participated in the JLC initiative to support the virtual MOAA Storming.

- III. Public Affairs
Due to coronavirus precautions, no member functions were held during Q2 2020.

- IV. Awards
Our chapter received the MOAA 5-star Communication Award for our printed newsletter and website. The MOAA Level of Excellence Award was submitted in advance of the 1 May deadline.

- V. ROTC/JROTC Awards
As stated in last quarter's report, COVID-19 virus concerns necessitated cancellation of colleges and schools throughout the region. Two Mel Drisko Leader Scholar \$1000 awards were selected and presented to two graduating high school students accepted to collegiate ROTC Programs. Most area high schools elected to postpone awarding Junior ROTC Leader medals and certificates until hopefully school resumes in the Fall.

- VI. Most Significant Chapter Event
The Chapter's May Member Brunch Meeting and the June Baseball Outing were cancelled due to the COVID-19 precautions.
